Ed and Andrew:

Please find attached, revised drafts of the Seal Shield Declaration and the Notification Letter/Email to Seal Shield's Distributors.

At this time we are still seeking approval from EPA senior level management on the documents as part of the recommended SSURO Termination process. Accordingly, the documents may be subject to change; however, we wanted to send you copies of these drafts for your review at this time in case you had any questions, concerns or suggested edits of your own. Please let us know as you are able to review. Thank you for your patience in this process.

Regards,
